# SET ZA ODRŽAVANJE NAMJEŠTAJA

## VALIS CARES

Set za održavanje drvenog namještaja uljne završne obrade.

Pravilnim održavanjem vaš će namještaj godinama zadržati svoju prirodnu ljepotu.

Upute za održavanje uljenih drvenih površina:

- Testirati na manjem skrivenom području prije postupka!
- Pomoću brusnog papira uklonite gornji oštećeni sloj drva.
- Odstranite nečistoću i ostatke prašine priloženom spužvom.
- Pomoću priložene krpe nježno utrljajte ulje na površinu, a potom jačim pritiskom zagladite površinu i uklonite višak ulja.
- Postupak obavite u dobro ventiliranom prostoru i pričekajte 24 sata prije ponovne upotrebe.
- Namočite krpu u vodi kako biste spriječili mogućnost samozapaljenja.
- Čuvati izvan dohvata djece. Nije za oralnu upotrebu.

SADRŽAJ: ulje za drvo 250 ml, spužva, krpa, brusni papir.
